Drugs Required under National Health Programme

540. SHRl JAGESH DESAI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what aro the names of the drugs requier for mental Health programme;

(b) whether it is is on the increase and what is the growth rate of these drugs;

(c) whether it is a fact that patients su'ffrenng form Mental Health are also on the increase; and

(d) whether it is also a 'fact that none of these drugs are presently in category-I if so,what are the reasons for the same?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRl MOTI LAL VORA): (a) and (b) The National Mental Heilth programme as approved by the Government, in its essence, aims at promoting community mental health services at primary health care level through health education and training of peripheral level health workers. The intention is to have an intepated programme along with other health programmes. The programme have not identified any drugs as such required under the programme. However, there are several tested and reliable drugs like chlo. ropromazine, Amitriphlylinee Pheneaparbi-lone, Dlazepham etc., which are used as anti psychotic|anti-depressant anti-epileptic/anti-anxiety drugs;

(c) There is no reliable data to ind cate that the patients suffering from mental illness are on the incease.

(d) Dose not arise as no medicine has beeln identified as such under the programme.

Inclusion of eye preparations in category-I

541. SHRI JAGESH DESAI: Will the Minister of HEALTH AND FAMILY WELFARE *hi* pleased to refer to answer to Ueista«Ted Question 4202 given in Rajya Sabha on 3Ist Agust, 1988 and 'state:

(a) whether it is a fact that eye-prepa rations based on Oxytetracycline and De-methylchloratetracyclme do not fall in Category-I;

(b) if so, what is the Category in which these drugs fall;
